CAR FLAG

- Can be used on cars in motion (45 mph maximum speed)
- Artwork is dye sublimated on super poly knit fabric for single-sided flags and on block-out polyester for double-sided flags
- 1.5" pole sleeve is closed at the top to prevent the flag from sliding down the pole
- The bottom of the sleeve features a leather tab that is zip-tied to the pole
- The Car Flag premium pole is constructed of high gauge plastic
- 30-day warranty on flag

Double-sided flags feature a lightweight block-out polyester for increased flyability.
