

# Collapsible Counter

## Product Parts

1. Hardware
2. Graphic
3. Soft Case

## Display Set-up

### Step 1

While collapsed, attach the graphic by inserting the gasket into the groove under the base & top of the counter.

### Step 2

Pull the Counter Top up until fully extended.

### Step 3

To store Counter firmly press down on the Counter Top.

Graphic can remain attached when storing hardware.

## Storage & Care

Place all product parts into Carry Case and store in a cool dry location. To clean non-graphic hardware, wipe with a damp cloth.
