Chair Assembly

Step 1

Remove Chair (1) from shipping box, and set on a clean flat surface.

Step 2

Begin by setting the chair (1) upside down. While standing behind the chair (1), fold the legs back toward you.

Step 3

Continue to fold the legs back and overlap the right side on the left side and slide the tab on the right into the slot on the left as shown.

Step 4

Pull the back rest up toward you and tilt the chair on it's front. Push forward and overlap the right side on the left side and slide the tab on the right down to the slot on the left.

Step 5

Peel the backer off of the Graphic (2) and center it on the front of the Chair (1).

Storage & Care

Store in a cool, dry place, away from direct sunlight. To Clean, wipe with a damp clean cloth.
