

BUYER'S GUIDE TO RETRACTORS

Also Known As: Retractable Banners • Pull-Up Banners • Roll-Up Banners
Pop-Up Banners • Trade Show Banners

EASY AS 1-2-3!

1. Will your message be permanent, or will you be swapping out artwork frequently?
2. How often will your retractor be set up and taken down?
3. Will your retractor be used indoors or outdoors?

WHAT VACCINES DO I NEED BEFORE I TRAVEL?

Travel Vaccines:

When traveling to another country, be sure to visit a travel clinic, or your regular clinic. Here they can help you decide which vaccines are indicated for your travel. It is best if you go at least one month before travel but if you need to go closer to your travel it is still better than not going at all. Make sure you bring any vaccine records you have with you to the clinic.

to give you an idea of the vaccines and medicine you will need check out:
<http://www.cdc.gov/travel/>

Hepatitis A

Typhoid

Meningitis

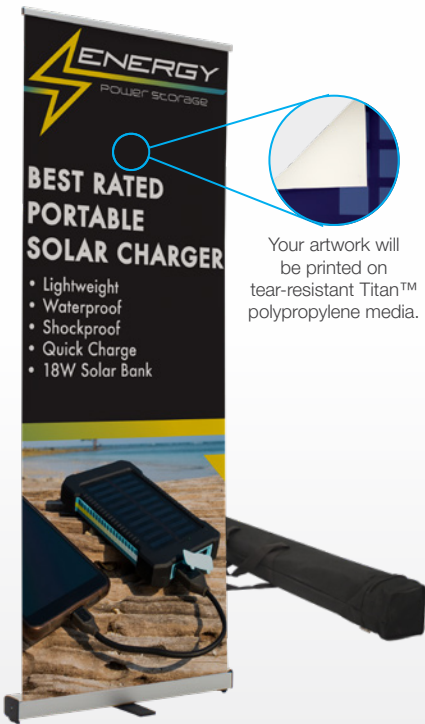

Flu

Rabies

Yellow Fever

Japanese Encephalitis
