Print Options

Full-Color Imprint

- Simple to complex graphics (see product pages for details)
- Vector art required; imprinted on front only
- Available in limited stock fabric colors only
- Min. and max. artwork size requirements apply
- Always roll your table throw for storage; do not fold

Full-Color Front Only

- Simple to complex graphics
- Vector and raster art accepted; imprinted on front only
- Available in stock fabric colors only
- Maximum artwork size requirements apply
- Large maximum imprint area for more graphic coverage
- Fold and store in included poly bag

Full-Color Full-Bleed

- Simple, complex and photographic graphics
- Vector and raster art accepted
- Art is dye sublimated on white fabric only
- Full-color artwork can be printed across the entire throw
- No artwork size requirements
- Fold and store in included poly bag

Top Seller

Lightweight and durable; our most popular fabric choice.

Nearly opaque with a luxurious look and a high-class hemmed finish.

Lightweight and designed for limited use.

The same durable, weather-resistant material we use for our tent canopies.

Biodegradable fabric is made with CICOLO® technology.

100% recycled media is made with fibers recycled from plastic bottles.

Our lightest weight table throw with high-quality printing.

Made from heavyweight, wrinkle-resistant media.

AMERICA'S FINEST RETRACTOR

To guarantee superior quality, we have developed an RCAT (Retractor Calibration Assessment Test) machine that assesses retractable banner components. Each retractor is tested and rated to a minimum number of times it will extend and retract with normal use, helping you find a retractor that meets your exact needs. The RCAT rating certification lets you have confidence in your retractable banner display, no matter which one you choose.

Top Seller

Anti-curl properties for a taut banner.

High-quality fabric that prevents curling. Silver backing makes it opaque.

Durable vinyl repels water and cleans easily for extended outdoor use.

Lightweight, no-glare fabric prevents curling.

This media is an alternative to traditional vinyl as it does not contain polyvinyl (PVC).

Smooth vinyl material, ideal for high-quality graphics.

Smooth, glossy surface that can be written or drawn on with a dry-erase marker.

Tear-resistant matte media for temporary use.

Backlit film allows for light to shine through your artwork.

Cellulose-based poster paper perfect for sustainable displays.
